

Illawarra Lapidary Club Inc 2025 Annual Show Schedule and Conditions 'Jewellery Gems & Mineral Festival'

Any member of the Illawarra Lapidary Club Inc can enter the competition!

Why enter the competition? Because it's fun, it's nice to get recognition for something and even if you don't win, you'll receive feedback about your entry that can help you improve in the future.

Keeping an eye on the prize is motivating, whether you win or not, the experience is still rewarding!

The Show competition will be judged according to the **Competitor & Judging Manual for Lapidary and Allied Competitions Issue no. 8 April 2015 and updates as of 2022**. It's a blue book which can be found at the clubhouse, hanging in the cutting room. Please read through it if you are entering, to familiarise yourself with the requirements.

Entrants must be current, financial members of the Illawarra Lapidary Club Inc.

All entries must be accompanied by the competition entry form (which can be found in this document on pages 3 and 4) and must be received by the Illawarra Lapidary Club by the 17th of September 2025. Please ensure that you enter the correct section and label it as such. Only sections listed below can be entered for the Illawarra Lapidary Club Inc's Annual Exhibition. Judging of the entries will be held in October on a date to be specified. All entries should be directed in person to the clubhouse, 51 Meadow St, Tarrawanna. Please hand your entries to Eva, Joan or a Committee member, do not leave your items unattended at the clubhouse for someone to collect. Postal entries **will not** be accepted.

The maximum number of entries in each section are as follows: Two entries per person, per section.

Completed judging sheets and entries will be available approximately two weeks after the exhibition for collection from Eva or Joan.

Please note that personal maker's marks/branding of the entrant etc are not to be put on entries to be judged for the competition.

All entries are to be submitted in their own individual bag. Mark each bag with the Section entered and a short description of the item only. **Do not** put your name on the bag.

For multiple entries, all must be individually bagged and then can be placed into one bag.
